WOLF PLASTICS:
Improved sustainability –
We give it our all.

The booster for your environmental footprint

If our customers decide to go for recycled „grey“ alternatives instead of „new“ raw materials, the advantages are plain to see.

- same cost plus savings in valuable resources
- equally robust, sustainable and sealable as new plastic
- same design options, also IML-capable
- upgrade of environmental footprint due to massive savings in energy and CO₂.

Handle

Metal Handle
with roller grip

Lid

Shake-proof lid

Sealed lid

	ER1600
Nominal filling volume	17.400 ml
