Plastic with a past and also with a future

Certification such as the „Blue angel“ environmental symbol contributes to consumer confidence by reassuring customers that they are handling environmentally friendly products. WOLF PLASTICS is making an effort to gain as much certification as possible. The following criteria must be achieved to be awarded the environmental symbol:

- Post-consumer recycled plastics compliant with EuCertPlastCertificate
- PVC-free
- Plastic recycle percentage (post-consumer) in the finished product constitutes at least 80 % by weight.
