WOLF PLASTICS:  
Our research and develop-  
ment make the world a better place

### Only the best for foodstuffs

Most WOLF PLASTICS containers are food safe, which means they combine durability, surface quality and cost-effectiveness with absolute suitability for foodstuffs.

This means, of course, that they have to satisfy a whole raft of legal requirements: e.g. the EU Directive 10/2011, 1935/2004 and 2023-2006.
